GalileoDiscovery

GalileoDiscovery is the University of Padua Library search tool

With just **one query**, you can find the materials for your research, **regardless of their format** (books, articles, journals, etc.)

GalileoDiscovery

With a single search it is possible to retrieve at the same time, in **print and electronic format**:

- books
- journals
- articles
- multimedia resources
- encyclopedic entries
- technical standards
- statistics
- contributions to open access scientific research
- ...

GalileoDiscovery

The screenshot shows the GalileoDiscovery website interface. At the top, there is a navigation bar with a main menu (1) containing links for LIBRARY SEARCH, JOURNAL SEARCH, FETCH ITEM, DATABASE SEARCH, BROWSE, HELP, and a dropdown menu. To the right of the navigation bar is a 'Sign in' button (2) and a 'Menu' dropdown. Below the navigation bar is a search bar (3) with the placeholder text 'Search anything' and a search icon. To the right of the search bar is a dropdown menu for 'Search everything' and a microphone icon. Below the search bar is a section with three information boxes (4): 'GalileoDiscovery' with links for 'Find out more', 'Guide to GalileoDiscovery', 'Tutorial on GalileoDiscovery', 'Off campus connection', 'Document delivery', and 'Interlibrary loan'; 'Other resources' with links for 'Other catalogs', 'Phaidra - Digital collection', 'Padua@Research', 'Padua@Thesis', and 'Virtual exhibitions'; and 'The libraries of the Paduan Library System' with a description of the system. The number 4 is in a blue circle at the bottom right of the information boxes.

Document Supply

Books not available in the University library system can be requested through the *Interlibrary Loan service (ILL)*. The service is not for free.

Off-campus connection

The **Auth-Proxy** service allows off-campus access to University of Padova electronic journals and databases both from Italy and from abroad.

This service will be available until the institutional email address (@studenti.unipd.it) is active.

Off-campus connection: <https://bibliotecadigitale.cab.unipd.it/en/search-tools/off-campus-connection>

App Affluences

To access the libraries of the University of Padua, users must book a suitable seat identified by the library, in order to guarantee the prescribed social distancing, via the Affluences app using the institutional email.

Affluences mobile app is free, ad-free, and freely downloadable from the App Store and Google Play.

Wi-fi connection

**Engineering
Libraries
offer you a
free wi-fi
connection**

[eduroam](#) is an international roaming service for users in research, higher education and further education.

It provides researchers, teachers, and students easy and secure network access when visiting an institution other than their own

Ask@librarian

- Do you know how to start your research?
- Have you troubles finding materials?
- Do you need any help with search tools?

Feel free to contact us! The service is available to Engineering students and academic staff

Ask @ librarian

<https://www.dei.unipd.it/helpdesk/open.php?topicId=39&lang=en> US

clicking on SSO (Single Sign On) UNIPD: name.surname@studenti.unipd.it

A librarian will contact you within 3 working days

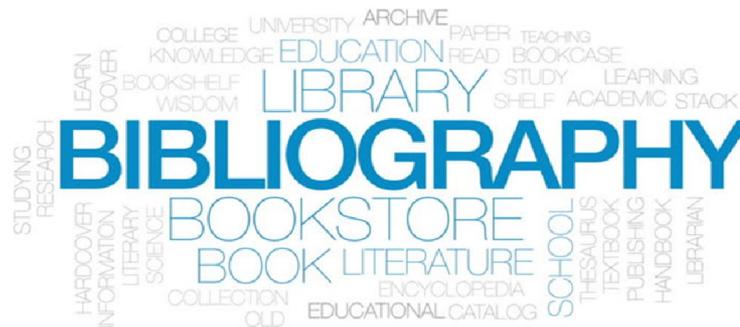

Reference management software

These applications can help you:

- import citations from catalogues, databases and websites
- create and organize bibliographies for theses, books and articles
- insert and format citations within the text of documents

The University Library System periodically organize **training courses about citation managers.**

To verify available dates, you just have to check this link and choose your location:

<https://bibliotecadigitale.cab.unipd.it/en/using-the-libraries/training-courses>

You can access to the courses in all the libraries of the University, so not only in Engineering Libraries.
